

German Major and/or Minor—Teaching Emphasis without Secondary School Licensure

(Major 34 credits, Minor 19 credits)
2.5 GPA required in major or minor classes)

It is possible to have a teaching emphasis within a major or minor in German without receiving Secondary School teaching licensure. However, unless the student is an elementary education major, he or she *would not* be able to teach in Utah public schools (nor at many private ones). Graduating without licensure may allow employment at some community colleges and universities.

In order to complete the German Major—Teaching Emphasis *without* Secondary School Licensure, students must fulfill all of the requirements listed under Section I (German and Linguistics Courses) of the German Major—Teaching Emphasis with Secondary School Licensure (31 credits), plus LING 4400^{5,6}, for a total of 34 credits. (LING 4300 for the teaching major is no longer required if doing non-licensure German Teaching program.)

Similarly, to complete a German Minor—Teaching Emphasis *without* Secondary School Licensure, students must fulfill all of the requirements listed under Section I (German and Linguistics Courses) of the German Minor—Teaching Emphasis *with* Secondary School Licensure (16 credits), plus 4400^{5,6} for a total of 19 credits. (LING 3300 for the teaching minor is no longer required if doing non-licensure German Teaching minor program.)
