PROGRAM INFORMATION

USU-ONLINE PROGRAM

Earning a minor in Spanish provides endless career opportunities around the world. In this age of multinational corporations, businesses are looking for sales managers, executives, marketing specialists, personal managers, accountants and finance specialists who speak a second language. Spanish as a second language will give students a competitive edge in any field that they choose to enter. The program will also increase students' understanding of Spanish and Latin American culture, civilization and literature.

CREDIT HOURS

- Minimum Credits Required: **15**
