Dec 11: Exam #10 (Passive)

NOTE: Exam #10 may be taken either the last day of class or when the final exam for the class is scheduled.

NOTE: Your grade for the course will be the average of your 10 exam LETTER grades (90 - 100 = A, 80 - 89 = B, 70 - 79 = C, 60 - 69 = D, 0 - 59 = F). No numerical grades are recorded. The lowest of your 10 exam grades may be dropped and substituted by a letter grade for attendance and class participation, assuming that the latter is higher than the lowest exam grade. This class-participation grade will remain an A until you have missed more than 4 classes. After 4 missed classes, this class participation grade will be lowered a full letter grade for each additional absence since there was no class participation if you were absent. Exams must be taken when scheduled as there are no make-up exams available. If you must miss a scheduled exam, that will be the grade dropped as outlined above. Upon request, any exam may be taken earlier than scheduled, but not later.

THE TEXTBOOK (PAPER OR ON-LINE) IS ABSOLUTELY REQUIRED! You will receive no class-participation grade if you don’t have a textbook. There is also an optional workbook available which may be ordered through the USU Bookstore. Office hours are by appointment only. You may leave messages in my faculty mailbox in Main 204, or e-mail me: jbenbow1@comcast.net
