Final Exam for 8:30 class is 7:30 Mon. 12 Dec.

NOTE: Your grade for the course will be the average of your 10 exam LETTER grades. No numerical exam grades will be recorded. The lowest of your 10 exam grades will be dropped and substituted by a letter grade for attendance and class participation, assuming that it would be higher than the lowest exam grade. This class participation grade will remain an A until you have missed more than 3 classes after which it will drop one full letter grade for each additional class missed. Exams should be taken when scheduled since there are no make-up exams available. Upon request, any exam may be taken earlier than scheduled, but not later.

The textbook (paper or on-line) is absolutely required! You will receive no class-participation grade if you don't have a textbook. There is also an optional workbook available which may be ordered through the USU Bookstore. Office hours are by appointment only.
