

STUDY IN JORDAN

JUNE 10
TO
JUNE 25
2019

ARABIC CULTURE

This course focuses on the culture and society in the Arab region, particularly Jordan, which contains exciting places such as Petra, one of the seven wonders of the world. It aims to provide students with first-hand experience of and about the Arab World through field trips, visits to important sites and institutions, and experience-based assignments and projects. The course will cover a variety of topics that are relevant to understanding the Arabic culture and people, particularly in Jordan, as well as present a rich educational experience for promoting analytic skills and insights into another culture and its complexities.
